 **CHOCOLATE CLARE**

CHOCOLATE CLARE

After a fun and festive Spring and Summer of creating wonderful wedding chocolates and party favours, it's really exciting for me to move into Fall and Winter. The Autumn palette inspires me to create all sorts of **seasonal treats**.

As we start to move off the patios and begin entertaining at home, having hostess gifts and individual desserts begins to take centre stage. I take pride in creating **unique** chocolate treats everyone will love.

Each and every piece is handmade with **impeccable detail**.

- 🍫 No preservatives
- 🍫 No additives
- 🍫 Handmade in small batches

I know you care deeply about what you present to others, so I want to assure you that at **ChocolateClare**

we take the time and care to ensure our products are superb every time.

Please enjoy the catalogue. Feel free to email or call me directly with any questions or requests. I look forward to hearing from you.

“The superiority of chocolate, both for health and nourishment, will soon give it the same preference over tea and coffee in America which it has in Spain.”
